

My Aim I am an open-minded and detail-oriented graphic designer. I seek a position which will allow me to grow and express myself creatively while I contribute my design skills to the community.

Experience

Responsys - Designer - December 2008 to Present
I currently work as a designer in the email marketing industry. I primarily work on the LEGO account, designing promotional emails and newsletters. I also provide design support for other accounts, which include Harley Davidson and Sears.

Curro Rankin and Williams - Freelance Designer - September 2008 to December 2008
Provided print design work for one of the company's largest clients. Projects included annual reports, brochures, posters, and signage. Minimal web and interactive design work also provided.

Mediaworks - Art Director - June 2006 to June 2008
Worked in equal parts print design and web design. Design work included websites, email newsletters, annual reports, print advertisements, vehicle wraps, billboards, posters, brochures, newsletters, magazines, identity systems, and logos. Conducted photo shoots for advertisements and websites. Regularly maintained and updated websites.

WonderLab - Volunteer Designer - Summer 2005
Designed thank you cards, flyers, notices, name tags, bookmarks, floor activity signage, and event signage.

Indiana Review - Design Intern - Summer 2005
Designed advertisements for Indiana Review literary magazine and Indiana Review ads displayed in other literary magazines. Designed prize and award announcement ads.

Indiana University's Asian American Association - Spring 2003
Designed Taste of Asia 2004 event program.

Polo Ralph Lauren - Intern - Summer 2002
(Hong Kong, non-graphic design related) - Rotated around each department in order to get a feel for the business environment. Shadowed quality assurance agents and learned the garment inspection process.
